*Old things stir us, one collects knick-knacks.
Tonight, we try to stop time, let's come!
The light is cosy, books are stacked, the bar is lively,
the wine is a jewel, cocktails are poets, the service is our art,
the cooking is creative, the place is confidential.
One dinner eye to eye, one lovely evening...
When the clock doesn't tick anymore,
love never ends, the poetry lasts all night long?*
